Re: Multiple Entry Tourist Visa Request

Dear Sir/Madam,

This is to formally request for a multiple entry tourist visa for the undersigned:

Name: [nama lengkap]

Passport No: [nomor paspor]

Please find below consideration for my request of multiple entry tourist visa:

During my short visit to Japan in 2015, the experience made me want to explore Japan further. I only visited Osaka and would like to visit other cities such as Kyoto, Tokyo, Sapporo, Shirakawa, and more. Unfortunately I merely have few annual leave left for my trip in 2017, so hopefully I will be going back to Japan again sometime in 2018 if the opportunity presents itself.

Other than my aforementioned visit to Japan, I also have visited G7 countries (I visited multiple Schengen countries such as France, Germany, and Italy in 2016 and 2017). As noted, this is also a requirement to be able to apply for multiple entry visa.

Thank you in advance for your consideration into my request.

Sincerely,

[Jangan lupa TTD]
